Work Experience

U.S. Air Force, XXX Air Force Base, State 2000-2004

Bioenvironmental Engineer (active duty)

Ensured the compliance of eight public water systems with the Safe Drinking Water Act. Wrote drinking water quality Consumer Confidence Reports. Implemented water quality initiatives. Worked with state regulators. Supervised bioenvironmental technicians. Planned and oversaw indoor air radon sampling. Performed industrial hygiene/occupational health tasks as required.

U.S. Army Corps of Engineers, City, ST 1990-2000

Environmental Engineer

Conducted civil works planning studies for the XXX Restoration Plan. Performed hazardous waste and ordnance preliminary assessments at former military sites. Reviewed contamination assessment plans and reports. Made recommendations on soil and water quality issues. Coordinated the review of construction plans and specifications to ensure environmental compliance. Obtained environmental resource permits from the state. Oversaw contractors performing environmental work. Evaluated proposals and negotiated delivery orders. Performed environmental tasks for hurricane recovery efforts.

XYZ Corporation, City, ST 1987-1990

Flight Test Engineer

Wrote the Flight Test Plan for a major avionics upgrade of the U.S. Army's XXX aircraft. Prepared Flight Test Procedure Cards for use by the flight crew. Briefed and debriefed flight crews. Wrote Flight Test Reports.

U.S. Air Force, XXX Air Force Base, ST 1983-1987

Simulator Program Test Manager (active duty)

Planned, scheduled, and directed test and evaluation of the XXX flight simulator/weapon system trainer. Traveled extensively throughout the United States and Europe to direct and perform development and acceptance tests. Supervised test teams (engineers, pilots, and technicians). Interfaced with defense contractors, the using command, and NATO air force personnel. Served in Source Selection of the XXX Task Trainer by evaluating proposals. Wrote a Test and Evaluation Master Plan and approved test-related documents.

Education

Name of Institute, City, State
